Incident Details

We must inform you that the County, as the Waste Disposal Authority and owner of the sites, and Shanks Cumbria Limited & Cumbria Waste Management Limited, as the County's contractors, believe that..... We must inform you that conduct of this nature cannot be tolerated on our sites and we will act to defend the County's staff and other site users.

We consider that given the serious nature of this incident it is appropriate to prevent you from accessing any waste management facility operated by Cumbria County Council either independently or under contract, including all of the 14 Household Waste Recycling Centres, in Cumbria with immediate effect and initially for a period of 21 days. We are therefore instructing you not to reappear at any of these facilities located within Cumbria for a period of 21 days after the date of this letter, if you do not comply with this instruction we shall arrange to have you removed from the premises and take any further action necessary.

We are considering whether it would be appropriate to extend the prohibition further from the date of this letter. Before taking this decision we will take into account any comments or representations you may have about the report we have received on your behaviour. These comments may include any expressions of regret on your part and any assurances you are prepared to give about your future conduct.

Please send any comments or representations in writing to the address at the top of this letter by **Date**. Any comments or representations you make will be taken into account.

We will write to you as soon as possible after the expiry of the 21 day period outlined above to inform you on the County' decision as to whether to extend the prohibition and if so for what period.

Yours Sincerely
