

Free self-harm & suicide alertness training for professionals working with children & young people

Workshop includes case studies, videos and group discussion

Learning outcomes include:

- Examining the local and national context and being aware that self harm and suicide are major public health issues
 - Seeking to dispel some myths about self-harm and suicide and looking at our own and societal attitudes
 - Helping colleagues to identify issues, discuss and help a young person to seek further support
 - Understanding and using the Cumbria Self-Harm Guidance & Pathway and being aware of other support available
 - Understanding the importance of asking directly about thoughts of suicide and the importance of safety planning
-
