

Commons Act 2006

Schedule 2 (Paragraph 7)

Application to correct non-registration or mistaken registration

NOTICE OF DETERMINATION

Application Number: CA13/7

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority ("the CRA"), has at a meeting of its Development Control and Regulation Committee ("the Committee") on the 30th March 2015, considered an application to correct mistaken registration of Land to the North of Durdar Road, Carlisle (herein after referred to as "the Application Land") as registered Common Land.

Decision

The Committee resolved to accept the application to correct the register and remove the Application Land from the Common Land Register Unit No. CL49 Blackwell Common.

Reasons

The Committee took into account a report written by the Commons Registration Officer ("the Officer"). The Officer's report made a recommendation to the Committee to accept the application, on the grounds that immediately before its provisional registration the Application Land was not subject to rights of common, waste land of the manor, a town or village green within the meaning of the 1965 Act as originally enacted or land of a description specified in section 11 of the Inclosure Act 1845(C.118) therefore satisfying the statutory criteria contained at schedule 2 (7) of the Commons Act 2006.

The Committee on considering the Officer's report, resolved to approve the Officer's recommendation, the Application Land will be removed from the register of Common Land.

Documentation

Minutes of the meeting providing the committee's decision, the Officer's report and a plan of the Application land are available at:
