

Commons Act 2006 - Section 19(2)(a)
NOTICE OF APPLICATION TO CORRECT THE REGISTER

Notice is hereby given that an application has been made by **Jayne Lillington** ("the Applicant") to Cumbria County Council as Commons Registration Authority, under Section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register unit CL24 Land at Upton.

A summary of the effect of the application is as follows: Land at Upton was provisionally registered as common land on 17th July 1967 under Section 4 of the Commons Registration Act 1965, pursuant to an application made by Caldbeck Parish Council dated 10th May 1967 and numbered 60 ("the 1967 Application"). The provisional registration of the 1967 Application became final on 1st October 1970. The Applicant claims that the land coloured red on the attached plan ("the Application Land") was not included on the plan attached to the 1967 Application or on the first edition of the register map and the Commons Registration Authority made a mistake when the second edition of the register map was drafted by wrongly including the Application Land within the boundary of CL24. The Applicant seeks by this application to remove the Application Land from register unit CL24 Land at Upton.

If the application is granted, in whole or in part, the registration authority will give effect to the determination by deregistering the Application Land, which will entail the addition of a registration amendment entry in register unit CL24 confirming deregistration of part, and the amendment or preparation of a fresh edition of the register map showing only the remaining land contained in register unit CL24 as registered common land and the Application Land marked as deregistered.
