TOWN AND COUNTRY PLANNING (LOCAL DEVELOPMENT) (ENGLAND) REGULATIONS 2004 (as amended)

CUMBRIA MINERALS AND WASTE DEVELOPMENT FRAMEWORK REPEATED REGULATION 27 CONSULTATIONS ABOUT THE SITE ALLOCATIONS POLICIES AND PROPOSALS MAP

The Cumbria Minerals and Waste Development Framework will set out Cumbria County Council's policies and proposals for working and safeguarding minerals and for managing wastes for the period up to 2020. It relates to those parts of Cumbria that are outside the Lake District and Yorkshire Dales National Parks.

The County Council is now inviting comments on the sites and areas of land that it currently intends to submit to the Secretary of State for consideration. This is a repeated consultation due to a successful legal challenge to the inclusion in Policy 7 of Area of Search M12 Roosecote sand and gravel quarry extension near Barrow in Furness without a further round of consultations.

Copies of the Site Allocations Policies and the Proposals Map and supporting documents can be seen on the County Council website www.cumbria.gov.uk under Environment and Planning, then Minerals and Waste Development Framework. They can also be seen at County Offices, Kendal, The Courts, Carlisle, and at District Council planning offices between 0900 and 1600 hours Mondays to Fridays. The Site Allocations Policies document can be seen at public libraries during their opening hours. Paper copies or CDs of the documents can be obtained from the Environment Unit, County Offices, Kendal, LA9 4RQ, Tel. 01539 713403.

Comments can be sent by email to mwdf@cumbria.gov.uk or in writing to Environment Unit, County Offices, Kendal, LA9 4RQ. Comments need to be received no later than Monday 5th December 2011.

Comments may be accompanied by a request to be notified at a specified address of any of the following - that a Development Plan Document has been submitted to the Secretary of State for independent examination, the publication of the recommendations of any person appointed to carry out the independent examination and when a Development Plan Document has been adopted by the County Council.
