Independent Examination

Dear

Cumbria Minerals and Waste Development Framework: Repeated Site Allocations Policies and Proposals Map DPD

I wrote to you on the 29 February attaching a number of documents and inviting your comments. These documents may be viewed on the Examination page of the County Council's web site where they are within Document ED81. The Inspector has now considered all the further points raised and I attach the final versions of both the Hearing Timetable and the Issues and Questions. While there have been changes to the former, the latter remains as previously sent to you. For ease of use, these two documents can be found as ED82 and ED83 respectively on the County Council's website.

You should now prepare any further statements that you wish to submit on the Issues and Questions identified by the Inspector. These should be sent to me no later than noon on 4 April and must be in the form set out in the Guidance Notes. These were sent to you with my previous letter and can be viewed within Document ED81.

If you have any questions please do not hesitate to contact me.
