CUMBRIA

THE PERFECT PLACE FOR YOUR CEREMONY

Cumbria is a county of great natural beauty and offers a wide range of enchanting venues for your special day. So why not take your time in reading this guide and see what we have to offer before you make your decision?

There are a number of Registration Offices to choose from and over 150 Approved Venues, which include fairytale castles, romantic hotels, friendly country houses and museums.

There are many options available - you can choose a simple ceremony with just two witnesses, or have a large party at one of our Approved Venues or the Registration Office of your choice.

This guide has been produced to provide information to help you plan your day and answer many of the questions commonly asked about all aspects of arranging the ceremony.

Everyone's ceremony is special and we are here to help to make your day a very happy and enjoyable occasion for you, your family and your friends.

I hope you enjoy reading our Ceremonies Guide and that you decide to choose Cumbria as the venue for your special day.

YOUR CEREMONY

To have your special ceremony against such a beautiful backdrop is a dream for any couple and in the midst of this natural beauty you can celebrate your big day in exactly the way you dreamed of. Many Approved Venues and hotels can host not just the ceremony, but also your reception and honeymoon.

Whether you chose a ceremony in a Registration Office or an Approved Venue, in Cumbria we can offer some of the best venues in the country.

With over 150 Approved Venues to choose from, including stately homes, historic buildings, first class hotels and Registration Offices which provide charming settings for civil weddings. Although ceremonies are not allowed

to take place outdoors or in temporary or moveable structures such as marquees or boats, certain venues do have permanent constructions outdoors i.e. pergolas, gazebos etc. which are licensed. However it is possible to follow a statutory ceremony with a Renewal of Vows ceremony in the open air. Our staff will be happy to discuss any ideas that you have to make your ceremony unique to you.

Wherever, and however, you decide to celebrate your special day, from traditional and stylish to themed or more unusual, you will be guaranteed the ultimate venue and spectacular backdrop.

Cumbria has more than just lakes... there are a multitude of hidden treasures, amazing views, peace and tranquillity, outstanding food, friendly locals and unspoilt beaches.

Dig further and you will find the magic of the Eden Valley nestled in the North Pennines, dramatic coastal scenery at the Lake District Peninsulas. With tranquil towns and villages, many historic monuments, churches and castles, poetry and the birthplace of Wordsworth, and the historic Hadrian's Wall for you to explore.

You can stay at large, luxurious hotels and cosy, family-run B&Bs to well equipped camping and caravan parks and self-catering cottages. Whatever your choice you can be sure of a warm welcome, great service and some of the most picturesque surroundings to be found anywhere.

Not only is Cumbria the perfect place for your wedding but also your honeymoon. Reflect on your big day surrounded by beautiful lakes and mountains. The perfect location to enjoy your first happy days of married life together, with memories that will last a lifetime.

YOUR CEREMONY
AT A REGISTRATION OFFICE
OR APPROVED VENUE

All civil ceremonies, either in a Registration Office or Approved Venue, are arranged through the Registration Service that is responsible for the area. However, it is the responsibility of the couple to book the Approved Venue.

Our Registration Offices are all different in character and capacity, and our Ceremonies Team know how to make your day really special, priding themselves on making each ceremony a unique experience to treasure. Please feel free to discuss any ideas of your own with the Ceremonies Team prior to the day.

In a civil marriage there are certain words prescribed by law, which you must say, known as declaratory and contracting words. In a civil partnership, it is optional whether these words are said out loud. However, there are various ways of personalising your ceremony, such as additional vows which may be added after the contractual words have been spoken.

You must provide two witnesses, who may be either friends or relatives. It is advisable that they should be over the age of 18, and are able to understand English as well as the significance of the ceremony they are witnessing. They will be asked to sign the marriage register or civil partnership schedule at the end of the ceremony.

Please note:
On this special day please help us and other couples who are holding a ceremony on the same day by arriving at the Registration Office or Approved Venue, a minimum of twenty minutes before the ceremony, as the Registration Service staff will often need to attend other ceremonies on the day.

Should the services of an interpreter be required, please contact the Ceremonies Team of the district where the marriage or civil partnership is to take place for advice.

YOUR CEREMONY AT A REGISTRATION OFFICE OR APPROVED VENUE

Current legislation allows you to book 12 months in advance. However, in Cumbria you may provisionally book your ceremony up to 24 months in advance for a non-refundable advanced booking fee.

Once a booking has been made, there would be an administration fee for any changes. This fee is in addition to the standard fees payable to the Registrar, and couples must still give notice within 12 months of the ceremony in the usual way.

You can include music which is special to you as a couple or a piece of poetry may be read. Neither must be religious in nature.

In Cumbria ceremonies are conducted between the hours of 8.00am-6.00pm and must be completed by 6.00pm.

www.lorraineoates.com

Many of our Approved Venues are set amidst breathtaking landscapes and beautiful gardens in which to have your photographs taken. The ceremonies co-ordinator at an Approved Venue will be delighted to discuss various arrangements that can be made to make your day really special.

Ceremonies at Approved Venues follow a similar format to those in the Registration Offices. To arrange a ceremony at an Approved Venue you must first contact the premises of your choice to make provisional arrangements and check that they have availability. You must then contact the Ceremonies Team to ensure that a member of the Ceremonies Team is able to attend your ceremony on that date and time. Information about formal notice can be given to you at that time.

A list of Approved Venues are listed at the back of this brochure and you could also visit our website at www.cumbria.gov.uk/registration

GIVING NOTICE

Each couple must give notice. Giving notice, or notice of intent, means making a legal declaration that you are both free to marry each other or form a civil partnership and you will need to provide certain documents when doing so.

Although you may have a civil ceremony in any district within England and Wales, you must give notice to the Registrar in the district where you live. When you wish to give formal notice you will need to make an appointment at the appropriate office and it will take approximately half an hour to an hour to complete.

When you attend your appointment you and your partner will need to provide information such as proof of age, identity, nationality and evidence you are free to marry or form a civil partnership. You will need to provide two documents that prove your identity:

- your passport or driving licence
- your full birth certificate.

You will also need to provide a document showing proof of your current address, e.g. bank statement or utilities bill.

If either of you have been married before or entered into a civil partnership you will need documents to show your previous marriage or civil partnership has legally ended.

All documents must be originals. Photocopies cannot be accepted. Any foreign documents should be accompanied by a certified English translation.

If you wish to marry or form a civil partnership and you were born in the UK on or after 1st January 1983,

and you have no passport, we will need to see evidence of the British nationality of one of your parents if they were married at the time of your birth – either a full birth certificate or passport is acceptable proof. If your parents were married and your mother was not British then we also need to see their marriage certificate. If your parents were not married at the time of your birth you must provide documents from your mother from whom your nationality would be taken.

If either of you are under 18, the Registrar will give you forms that must be completed by a parent or legal guardian. If you are in any doubt about the paperwork required, please contact a member of our Ceremonies Team for further advice.

Immigration control

If one or both of you is subject to immigration control, for example staying in the UK on a visa, then you will need to follow special procedures. You will need to give notice at a specially designated Registration Office, which in Cumbria is the Kendal Register Office.

For further information, you can contact the Kendal Register Office on 01539 713567.

Whilst you can book your ceremony more than a year in advance, your notice of intent can only be completed within one year of the date. Our Ceremony Team can advise you of the minimum number of days in advance you may give your notice. Once the formal notice of intent has been completed, the document will be publicly displayed at the Registration Office. This does not include the day you gave notice or the earliest day on which the ceremony can be held.

However, for administrative purposes we recommend you allow a minimum of 8 weeks. There is a minimum period between giving notice and getting married or forming a civil partnership - please ask our Ceremony Team.

Both of you must both give notice and this must be done in person at the appropriate Registration Office. In general, notice must be given in the district where you live. If you both live

in the same district a joint appointment should be made with your local office. If you live in separate districts, but still within England or Wales then you should make individual appointments with your local Registration Office, if possible around the same date.

You must be resident in the district where you give notice for the preceding eight days prior to the appointment and on the ninth day you will be free to give notice.

If you wish to have a ceremony in a district where you do not live, you will need to contact both the venue and the Registrar of that district to make arrangements, and agree the date and time of your ceremony. Once you have done this you can then give your notice to marry or form a civil partnership to the Registrar in the district where you live.

The Registrar will tell you when your marriage authority or schedule will be issued. If you are marrying in another district, please advise the Registrar where to send your Authorities.

Please be aware that some special conditions may apply in the following cases:

- either party is not a British Citizen
- if the marriage is to take place outside of England or Wales
- or, if either party is resident outside of England or Wales.

If any of the above applies to you or your partner please contact one of our Registration Offices for further advice.

Also, if you wish to get married or form a civil partnership and either of you are seriously ill or has a life limiting condition, please contact the Ceremonies Team who will offer further advice and assistance.

Most importantly, please note that it is your responsibility to arrange the following:

- To book any Approved Venue and arrange the details of the day
- To ensure that the legal formalities are completed, and that you have obtained the necessary authorities (and delivered them to the Registrar) before your ceremony.

IMPORTANT THINGS TO REMEMBER

May we please respectfully remind you of the following:

- Payment for any ceremony is required in advance, 8 weeks prior to the day
- If the ceremony will take place within 8 weeks, full payment is required at the time of giving notice
- It is the responsibility of the couple to book, and confirm, dates and arrangements with Approved Venues, and to pay any fees due to the premises
- It is the couple's responsibility to ensure that the legal formalities and notices are complete and that you have obtained the necessary authorities (and delivered them to the Registrar) before your ceremony
- Any rights of copyright for music, readings, etc., permitted at the ceremony are a matter for you and the venue
- A booking cannot be made unless you are legally free to marry or form a civil partnership (i.e. divorced or granted a dissolution) and are in receipt of any papers to prove this
- Whilst every effort will be made to make sure your ceremony starts on time, you should appreciate that circumstances beyond the control of the Registration Service staff may occasionally cause delays. Unfortunately, the Registration Service cannot accept responsibility for any delays beyond its control

- It is very important that you and your guests arrive in good time, at least 20 minutes before the start of your ceremony. This will allow you to be interviewed before the ceremony and for your guests to be seated. The Registrar will see you privately, either together or separately, to check details and final arrangements. We make every effort to perform the ceremony at the time stated. As our staff may have other ceremonies after yours, any unnecessary delays may result in them having to leave to attend other ceremonies.

If you need to discuss any of these points or have any other questions, please contact the Ceremonies Team.

www.treedawson.co.uk

ON THE DAY

FLOWERS

All ceremony rooms at the Registration Offices are tastefully decorated. You may, however, wish to have or make your own floral arrangements.

MUSIC

Music systems and CD players are provided in all our Registration Offices with a selection of suitable music. Due to the variations in media format it is essential that we make sure that it is compatible with the Registration services equipment in advance of the ceremony. If, however, you have a favourite or meaningful piece you wish to have played, please discuss it before the day with the Ceremonies Team.

WORDS & READINGS

You may choose to say special words to each other and/or add readings to enhance your ceremony. A booklet containing a collection of verse and music is available from our Registration Offices.

WITNESSES

In Cumbria, it is required that you are accompanied by at least two witnesses over 18 years of age at your ceremony. They may be relatives, friends or colleagues who must be able to speak and understand English and also the significance of the ceremony.

PARKING

The availability of parking varies at each Registration Office. For further information, please contact the Ceremonies Team. Most Approved Venues have ample parking.

PHOTOS

Official photographers are welcome to take photographs before and after the formal ceremony, however it is important that all ceremonies begin on time, without delays as a result of photographs being taken.

All photography, professional or otherwise, is by the permission of the presiding Ceremonies Officers and must be agreed prior to the start of the ceremony. You are allowed to photograph the couple as they enter, the exchanging of ring(s) and the first kiss. Flashguns may only be used with the consent of the Ceremonies Team.

VIDEO

Video recording is at the discretion of the Ceremonies Team. Only one video camera to be used and the person recording the event should remain in one position. Any cameras or video equipment must be battery operated only.

MOBILE PHONES

Your guests will be asked to ensure that their mobile phones or electrical devices are silent or turned off during the ceremony.

CONFETTI

Confetti is a familiar part of any wedding, but please ask your guests not to throw confetti inside the building!

NO SMOKING

Cumbria County Council has a no smoking policy on all its premises and this includes all Registration Offices, ceremony rooms, car parks and grounds.

If you need to discuss any of these points or have any other questions, please contact the Ceremonies Team.

in advance stating how many you require on the day. However, if at any time after your ceremony you require further copies of your certificate you can obtain these from the Registration Office in the district where your ceremony took place. You will be advised of the cost at the time.

FAMILY HISTORY

With the current trend in family history research, we also offer copies of birth, death and marriage certificates for past events registered in Cumbria back to 1837. These can be obtained, for a fee, from the Cumbria Certificate Issue Centre in Carlisle.

RENEWING YOUR VOWS

Renewal of civil partnership or marriage vows ceremonies are often associated with a special anniversary, such as tenth, twenty-fifth etc. but the ceremony is just as appropriate for couples at any stage of their relationship.

The ceremony is put together by you! Just as no two couples are the same, no two ceremonies to renew vows will ever be the same. Special people in your lives can take part in your ceremony; your children, guests who were at your ceremony and any friends and relatives.

For example if you were married abroad, you can renew your marriage vows in a ceremony held for family and friends. You can also ask friends or relatives to witness the signing of the certificate of the event.

Registration Offices and Approved Venues which are licensed for civil marriages or civil partnerships are listed in this brochure. They provide excellent locations and meet current fire and safety regulations with public liability insurance. These premises are experienced at holding events and are also ideal for renewal ceremonies, however, there may be other options. If you are unsure of the suitability of a particular location please contact the Ceremonies Team.

Please Note:

Neither the renewal ceremony nor any other document issued following the ceremony has any legal status and are non-secular (no religious reference).

NAMING CEREMONIES

Any parent can make the arrangements to hold a naming ceremony.

Whether married or not, or from different religious or cultural backgrounds, you can host a naming ceremony to celebrate with your family. Ceremonies can also be used to introduce adoptive children and stepchildren into a new relationship and form part of the family bonding with an extended family unit.

You may choose to hold it prior to or following your wedding or partnership ceremony.

A naming ceremony provides an opportunity to:

- Welcome the child or children into the family and wider community
- Announce the names that have been chosen, and maybe give the reasons behind the choice
- Make promises of commitment to nurture and support the child into adult life
- Choose other adults prepared to promise a special supportive relationship to the child or children

- Gather together close family and friends to celebrate the special occasion
- You may choose from a selection of poems and readings to enhance the ceremony and you can present your child with a special gift to mark the occasion.

Registration Offices and Approved Venues which are licensed for civil marriages or civil partnerships are listed in this brochure. They provide excellent locations and meet current fire and safety regulations with public liability insurance.

These premises are experienced at holding events and are also ideal for naming ceremonies, however, there may be other options. If you are unsure of the suitability of a particular location please contact the Ceremonies Team.

Please Note:

Neither the naming ceremony nor any other document issued following the ceremony have any legal status.

The naming ceremonies offered are secular and do not contain religious references. Parents who wish to have a religious ceremony should contact their local church or religious community.

CITIZENSHIP CEREMONIES

CHANGE OF NAME DEEDS

More and more people are choosing to change their names. There are many different reasons for doing this, you may not like your old name or wish to emancipate yourself from an unhappy past or to create a stronger family unity. Cumbria Registration Service is now offering a Change of Name deed service which is an affordable option to consider. Across the UK people can change their names at any stage of their lives and can do so provided they do not intend to deceive or defraud.

If you wish for further details of this service please contact the register office in Kendal on 01539 713567.

From 1st January 2004, anyone over the age of 18 who successfully applies to become a British Citizen must take part in a citizenship ceremony.

The aim of the citizenship ceremony is to enable applicants to gain a full understanding of the rights and responsibilities that come with the acquisition of British citizenship and also to ensure that they are properly welcomed into the community. It is intended to ensure that the acquisition of citizenship is not a purely bureaucratic process.

Cumbria Registration Service is responsible for organising ceremonies for successful applicants living in the County on behalf of the Home Office.

A ceremony can be held at any point, but must be within three months of the Home Office notification.

The venue for a ceremony will be determined by where you live, but in Cumbria will usually be at the Registration Office in Carlisle, Barrow, Kendal or Whitehaven.

The ceremony begins with a welcoming speech (often by a local dignitary), and the applicants then swear or affirm an oath of allegiance to Her Majesty the Queen and give a pledge of loyalty to the United Kingdom before being presented with their citizenship certificates. The presentation of the certificate marks the point at which British citizenship is conferred.

For further information please contact our Citizenship Ceremonies Team on 01228 226116.
