Mrs. W. Lilley, 71a, Duke-street, Whitehaven, has received a card from her husband, P.-C. Lilley, who was for some time at Whitehaven. and latterly stationed at Silecroft, a highly respected police-constable, and was a member of the South Staffordshire Regiment, stating that he had been wounded in the left side by a German bullet, but the injuries are not serious. He was, at the time of writing, in a large hotel, which had been formed into a hospital, and he was expecting to be removed to Frederick. pecting to be removed to England. A later card stated that he was on his way to Leicester Hospital. He tells her that he has had had a rough time of it, but all tried to do their best for, one another, and were very kind. It was rather trying for him to have to lie in bed, but it was not as bad as it might have been as the bullet made a be line right for his heart, striking his pocket Bible and hymn book, which turned the bullet downwards. The doctor says the bullet has come out again, and Mr. Lilley will soon be all right.

BORDER MEN IN CUSTODY.

#### FUTILE ATTEMPT TO VISIT RELATIVES

At Barrow, on Monday, Ivan Graham, James Telfer, James Anderson, John Tubenay, Master McMillan, James McMillan, John Harvey, James Farquhar, and David Turner, nine members of the 3rd Battalion of the Border Regiment, were ordered to

be detained to await an escort.

The Chief Constable explained that the regiment was at Shoeburyness, and the men left there on Sunday morning with the intention of seeing their wives and relatives at Whitehaven and Maryport. They bravelled to Barrow without railway tickets, and then found that they could not get through to Whitehaven.

The accused pleaded guilty to being absentees without leave, and asked to be allowed to go back without

awaiting escort.

The Chairman and the Chief Constable said that it was hard that the men had got so near their homes without being able to see their relatives. They should, however, have complied with the regulations to put themselves in order.
