Disruption due
to refurbishment

13 Feb - 10 March

Work to provide more services at Whitehaven Library

This will enhance and modernise the library facilities, as well as making a wider range of Cumbria County Council services available from this site.

We will try to plan work to reduce disruption as much as possible.

However there will be times when parts of the library, and the books and other stock, and the PCs, will be unavailable.

Access to the library will be from Catherine Street. This has 3 steps which may cause issues for some people, particularly those with mobility issues or people with prams and pushchairs.

Please talk to staff about your needs and any assistance we can give.

Books can be renewed by ringing the 24/7 renewal line on: 030 3333 1234

Books can also be renewed online www.cumbria.gov.uk/libraries
