The Complaints Team are here to help you do this!

Here's how!

Write to: The Complaints Team
Cumbria County Council
Cumbria House
117 Botchergate
Carlisle
CA1 1RD

Email: complaints@cumbria.gov.uk

Phone: 01228 221234

We promise that:

- We'll get back to you quickly.
- We'll listen.
- You'll get respect.

And if you don't feel comfortable getting in touch you can get someone else to talk to us for you, that's no problem.

If your complaint is not about social care, get in touch with us and we can tell you about the way to make complaints to the council about other things.

How do I make a complaint?

If you have a complaint you can talk to someone that you already work with like a social worker or foster carer.

If you don't want to talk to them you can make your complaint straight to the Complaints Team in writing, by email or by phone. See contact details to the left.

If you want, the Complaints Team can put you in touch with an advocate (someone who can help you make your complaint). We will pass your complaint to someone who will try to sort things out for you.

If you don't think your complaint has been sorted out, get back in touch with the Complaints Team and we can ask someone independent to look into it.

They will write a report which will help us put things right for you. This can take a few weeks but we'll let you know what's happening.

If you are still not happy we can ask a group of independent people to look at your complaint and they will decide if it has been looked into properly.

If after all that you're still not happy with what happened to your complaint you can contact the Local Government Ombudsman. The Ombudsman has the final say.
