ALLERDALE SPEED LIMIT REVIEW 2018: BRIGHAM

Site description:

Brigham is a small village situated approximately three miles west of Cockermouth. Most of the village is subject to a 30mph limit; however a new housing development is being constructed to the south of the village, which therefore necessitates an extension of the existing 30 limit.

Proposed changes to the speed limit:

To extend the existing 30mph speed restriction, beyond the new housing development.

Summary of reasons for proposed change:

So that the start of the speed limit covers the additional new development.
