ALLERDALE SPEED LIMIT REVIEW 2018: BLENCOGO

Site description:

Blencogo is a small village situated a few miles west of Wigton. The village is subject to a 30mph limit; however a new housing development is being constructed to the west of the village, which therefore necessitates an extension of the existing 30 limit.

Proposed changes to the speed limit:

To extend the existing 30mph speed restriction, beyond the new housing development.

Summary of reasons for proposed change:

So that the start of the speed limit covers the additional new development.
