

CUMBRIA COUNTY COUNCIL

FORWARD PLAN OF KEY DECISIONS 1 DECEMBER 2010-31 MARCH 2011

PUBLISHED ON 16 NOVEMBER 2010

CUMBRIA COUNTY COUNCIL

FORWARD PLAN OF KEY DECISIONS

Explanatory Note

The County Council is required to publish a Forward Plan of all key decisions to be taken in the following four months. This Plan begins on 1 December 2010 and replaces the Plan published on 15 October 2010. It will be updated monthly and will be available 14 days before the beginning of each month. Previous versions of the Plan can also be found on the Council's website <http://www.cumbria.gov.uk/council-democracy/councillors-democracy-elections/decisions/forwardplan/2010.asp>

The Forward Plan shows details of key decisions to be taken by the Council's Executive (ie the Leader of the Council and the Cabinet), Local Committees and by Officers under their delegated powers. It also shows significant decisions to be taken by the Executive which are not Key Decisions. The membership of the Executive and the Local Committees is set out in Appendix 1 at the end of this document.

A key decision is one which is likely to be:-

- (i) Significant in terms of expenditure or savings if it relates to a matter which exceeds £250,000 in value, **except** those decisions taken by:-
 1. the Corporate Director - Resources under delegated authority in connection with Treasury Management;
 2. the Corporate Director – Children's Services or the Corporate Director – Adult and Cultural Services under delegated authority in relation to care plans for individual children and young people or adults;
 3. Corporate Directors generally under delegated powers in relation to the submission of or acceptance of tenders.

OR

- (ii) Significant in terms of its effect on communities living or working in an area comprising two or more electoral divisions if it would change, or proposes changes to, the way in which services are used or provided. Significant in this context means important or far reaching. Examples would include proposals for changing the character of a school, closing down or opening Council services, and major changes in transport arrangements affecting an area. This is not an exhaustive list, and in considering whether a decision is a 'key decision' for the purposes of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000, the Council seeks to apply the principle that the public in the area affected should not be taken by surprise by the proposed decision.

The Plan shows:-

- when these decisions will be made
- who will make the decision
- to whom representations can be made and how
- what arrangements are proposed to consult the public and stakeholders about the decisions
- what documents relating to those decisions will be available and when

For completeness, the Plan includes important decisions which will be taken by the full Council which are not strictly key decisions.

Once they are available copies of documents referred to in the Plan may be obtained on the Internet, or by e-mail member.services@cumbriacc.gov.uk. A report to the decision maker will be available one week before the Meeting. If any documents are available before that period then that will be specified. However, in a small number of cases it may not be possible to make available certain documents as they contain confidential information.

The Plan is available free of charge on request from Susan Johnston (01228 226363). It will also be available for inspection at The Courts, Carlisle and County Offices, Kendal from 9.00 am to 5.00 pm Mondays to Thursdays and 9.00 am to 4.30 pm on Fridays and on the County Council's website <http://www.cumbria.gov.uk/council-democracy/councillors-democracy-elections/decisions/forwardplan/2010.asp> , as well as at all the libraries in the County.
