Dear Colleague/Partner

**SCHOOL ORGANISATION IN CUMBRIA – APPROVAL OF THE SCHOOL ORGANISATION
PLAN 2003/2008**

I enclose a copy of the School Organisation Plan for Cumbria. This was approved by the School Organisation Committee at its meeting on 28 January.

You may recall that the Draft School Organisation Plan was published in August. There followed an 11 week period in which objections to and comments on the Draft Plan could be made. There were no objections amongst the 4 written responses received. The Draft Plan was adjusted marginally to reflect the comments made.

The Plan is available in public libraries and on the Internet at www.cumbria.gov.uk/education/ Statutory regulations also require that a copy be made available to the Chairman of Governors of each school and to other partners represented on the Committee. A supplement to the Plan containing additional supporting information is also available in public libraries and on the Internet.

If you would find it helpful to discuss any aspect of the School Organisation Plan, or would like further information regarding the School Organisation Committee, please do not hesitate to be in touch. In the first instance, please contact Mike Tuer (01228 606038) who will be happy to help.

Yours sincerely
