

**Barclays Bank** offers a comprehensive package of banking services to the Education sector.

In Cumbria, we have considerable experience of the needs of the sector, and seek to provide specifically tailored solutions for each school.

Great importance is placed upon a two-way dialogue with our customers; each school will be looked after by a locally based Relationship Manager who will seek to develop a true partnership approach.

Our services also include the expertise offered by our Cash / Payments Management specialists who work with our customers to make their Banking facilities as efficient as possible.

We offer a wide range of products and services including access to Electronic Banking via Barclays Businessmaster software (provided free of charge), on-line procurement of a wide range of goods and services via [www.barclaysb2b.com](http://www.barclaysb2b.com) achieving cost and administration savings, and Company Barclaycard for low value consumable purchases.

More details of the services offered by Barclays can be found at [www.barclayscorporate.com](http://www.barclayscorporate.com).

Barclays would be delighted to discuss individual requirements with any school; in the first instance please telephone the contacts detailed below who would be pleased to make the necessary introductions to a local Relationship Manager:

Shaun Cross, Corporate Manager 01228 604424  
E Mail: [shaun.i.cross@barclayscorporate.com](mailto:shaun.i.cross@barclayscorporate.com)

Steve Bartholomew, (Manager, Cash Management) 0777 554 3607  
E Mail: [steve.j.bartholomew@barclayscorporate.com](mailto:steve.j.bartholomew@barclayscorporate.com)
