Subject: Possible SPAM: Radioactive Waste Framework

Dear Stewart,

With reference to letter received from Peter Stybleski dated 31st July regarding The Framework for Implementing Geological Disposal we would like to support the County Council in expressing a without commitment interest in a repository in Cumbria.

Any further correspondence can be sent to this EMail address or Mr. J. Lightowler
[address]

If I have sent this reply to the wrong person I would be pleased if you would forward it as necessary.

Thank You

John Lightowler

Clerk to Kirkbampton Parish Council
