Peter Stybelski Esq,
Chief Executive,
Cumbria County Council,
The Courts,
English Street,
Carlisle.

Date; 24th September 2008

Dear Mr Stybelski,

Managing Radioactive Waste Safely

I refer to your letter of 31st July 2008 on this subject and regret to inform you that this Parish council is very strongly opposed to the storage of toxic waste in Cumbria. I'm afraid that no-one has expressed a wish to be a contact point for further correspondence, so can only suggest that you continue to use me!

Yours sincerely,

Peter C Bennett-Parish Clerk
