Training provided

- Civil Engineering Technician Level 3 Apprenticeship

Cumbria County Council works with a range of high quality training providers, who deliver qualification and training courses for apprentices employed by the council.

These training providers will undertake the initial aptitude assessments; support with the recruitment process; deliver the qualification training (and ongoing assessments) and work closely with council staff to support apprentices to successfully complete their apprenticeship and move on to further training or employment.

Disclosure and Barring Service – DBS Checks

- This post does not require a DBS check.

Other Factors

- You must ensure that you are able to travel to and from the work location specified on a daily basis. A maximum of up to £15.00 per week will be paid to support your travel from home to work.
- Following the successful completion of the apprenticeship programme many of our apprentices have moved on to either a higher level apprenticeship or have secured permanent employment with the council or other employers and have embarked on an exciting career pathway. Whilst there is no guarantee that a position would become available at the end of your apprenticeship, Cumbria County Council works in partnership with other organisations throughout the county to maximise the opportunities that are available to apprentices. The skills you learn and the qualifications gained will be transferable to other roles either within the County Council or with other employers.
