WINDERMERE Lakes Line KENDAL

Lakes Line Community Rail Partnership

The Lakes Line may only be 10 miles long but ever since it opened in 1847 it has played an important role in the life of South Lakeland.

A beautiful journey from Oxenholme towards the Lake District mountains, the line links the destinations of Kendal, Burneside, Staveley and Windermere to the West Coast Mainline. The Lakes Line provides for many thousands of visitors each year a scenic journey straight to the heart of the Lake District.

In February 2006 the Oxenholme to Windermere railway became a Community Rail Partnership. Known as the Lakes Line, the Community Rail Partnership seeks to increase passenger numbers, engage the local community, find imaginative ways to work with local business and support the line's long term future.

If you have any questions about the Lakes Line or suggestions for its future development contact: Info@lakesline.co.uk

Whilst every care has been taken to ensure the accuracy of the information contained in this leaflet, we can accept no liability for any inaccuracies, and reserve the right to change information without further notice. Some services in the timetable may change to allow for bank holiday arrangements or engineering works.

Safety Information

The safety of our customers is the top priority for First TransPennine Express.

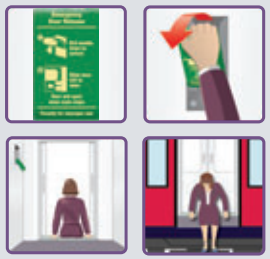
All our trains display customer safety notices which provide details of what to do in an emergency and where safety equipment is located. Please familiarise yourself with this information when you travel.

If you do have a safety concern when travelling on our trains please bring it to the attention of the Conductor or write to our Customer Relations Team.

1. If there is no immediate danger, await instructions from the on-train staff.
2. Remain on the train, move to another carriage if necessary.

   If the door does not open automatically, pull the door to force it open.

3. If 2 is not possible, once the train is stationary, leave through the external passenger doors.



When leaving the train, be aware of other trains, the distance to the ground and the potential hazards.
