New coaches, featuring wheelchair access will normally operate on the X4/X5 route. The vehicles seat 49 and can accommodate one wheelchair.

Wheelchair users can gain access to the vehicle by the use of the lift that has been designed by U-Lift of Sweden.

It is designed to raise a wheelchair user from a bus stop into the saloon of the vehicle. As a result, the lift can currently only be used at the following locations:

Workington Bus Station, Cockermouth Main Street, Thornthwaite Swan Hotel and Keswick Bus Station.

We are sorry, that for safety reasons, other stops are not currently available.

PLEASE NOTE

Customers wishing to use the facility are requested to reserve the space by telephoning 01900 604588 between 9am and 5pm on the day prior to travelling and must indicate the time of any return journey. For weekend and Monday reservations, calls must be received before 5pm on the preceding Friday.
