## Is English your second language?

If English isn't your main language, you can do a course to help you improve your English. These courses are called ESOL or **English for Speakers of Other Languages**. Improving your English will make it easier for you to:

- improve your speaking and listening;

- help your children with their school work;
- talk to doctors and teachers;
- gain a qualification;
- help you study;
- improve your CV;
- settle into life in Cumbria.

There are no formal entry requirements. At the first class you attend, your tutor will assess your level of English and discuss your individual needs.

## What do we offer?

Part-time courses (3 hours per week for 22 weeks). All sessions include individual support and review time with your tutor.
