

CASL Governor Roadshows

Course Outline:

A practical twilight session to support governors in their role, in being Ofsted ready and in further developing individual and collective effectiveness.

In addition to latest Ofsted updates and information sharing, there will be practical workshops, including Effective Governor Self-review and Effective Monitoring and Evaluation. A range of resources will be available to use in schools.

An excellent governing body supports you very well. The governors are highly professional, skilled and forward-thinking. The governing body has provided you with excellent support. It also holds you and other staff members to account for performance. The capacity of the governing body has been further enhanced with the development of the Hub for governors. This collaboration of five school governing bodies makes considerable expertise available to all hub schools."

(Cumbria Ofsted report October 2016, following a 3 month support programme from members of the roadshow team)
