Recycling in Eden  Some handy hints.

Make it easy and part of your routine. Keep your recycling container next to your standard rubbish bin.

Keep it clean. It’s a lot nicer when items are clean. Try to give them a rinse with the dishwater before draining it away.

Squash it up. Squashed items take up less space in your box and are easier to collect.

At the kerbside

- Please place your box and garden waste bin at the kerbside by 7.00am on collection days. If you require another service calendar contact Eden District Council.
- Try to make sure they are visible to the collection crews.
- Take boxes and bins back in as soon as possible following collection.

At Recycle Points and HWRCs

- Sort your recycling into different materials before you visit the Recycle Point or HWRC.
- Make sure you use the right collection banks.
- Don’t leave any rubbish or even recyclables next to the collection banks.

Where to go and what to take

Recycling in Eden is on the up. And with Two Household Waste Recycling Centres (HWRCs) and lots of Recycle Points each collecting a variety of materials, it’s easy to see why.

Visiting a HWRC? Do you need a permit? Be sure to arrange a free permit if you have a lot of household waste and need to use a van, flatbed or twin axle trailer (up to 3m long). Call 0845 055 1118 or go to cumbria.gov.uk/wastepermit.

Recycling at home
7 out of 10 households in Cumbria can now get their recycling collected at the kerbside. Depending on where you live in Eden you will be able to recycle various items on your doorstep every two weeks. Contact Eden District Council for more information about what services are available to you. See over for contact details.
