

Cumbria Foster Care Framework Call-Offs

The Cumbria Foster Care Framework is for the provision of foster care services. Children are placed with families who have been assessed and approved to provide a secure, warm, safe and supportive environment in which they can develop all aspects of their lives.

Providers on Cumbria's Framework are registered as an Independent Fostering Agency (IFA) and are governed by the Fostering Services Regulations 2011 (and any subsequent changes). The service is regulated and inspected by Ofsted.
