

LEARNING REVIEW/DESKTOP REVIEW REGARDING: *****

Present:-

Introductions

Below is a standard paragraph that can be added to should it be required

The Lead Reviewer advised that today's Review is being held following – ADD INCIDENT/DEATH OF CHILD – to see if there was any learning for agencies involved. The Review is not to discuss what went wrong, but is about learning and what can be shared widely. It is about **ADD CHILD'S NAME**, what services were involved, how we cared for them and will be shared widely. It is not about blame.

Who Was **ADD CHILD'S NAME**

Brief Outline of Case (include the incident or circumstances that led to the review)

Key Lines of Enquiry Responses (need to ensure the KLOE's are stated to establish if we have captured learning from those key areas – additional issues can also be picked up in the review but we must show how we have tested out our hypotheses)

Single Agency Good Practice Identified

Multi-Agency Good Practice Identified

Key Learning Points

Overall Findings

Key Changes to Practice Already Identified/In Place (Single/Multi-Agency)

Recommendations

1. Single Agency Recommendations

2. LSCB Recommendations
