

# National Hotlines

Menu

Too often, information on trafficking in human beings is targeted at professionals only, leaving those who are affected the most left out, the victims. By providing contact information to service providers and hotline numbers in the Member States, the aim is to make this information easily accessible. If you are a victim of trafficking in human beings or want to report a crime in relation to trafficking in human beings you may use one of the national hotline numbers below. You can always be anonymous.
