Section 15**

**Application to register land at
Hincaster, Milnthorpe as a town or village green**

NOTICE OF DETERMINATION

Application Number: VG140

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority ("the CRA"), has at a meeting of its Development Control and Regulation Committee ("the Committee") on the 25th June 2015, considered an application to register land at Hincaster, Milnthorpe as a new town or village green referred to herein after as "the Application Land".

Decision

The Committee resolved to accept the application to register the Application Land as a new town or village green and add the Application Land to the register of common land and town and village greens ("the Register") held by the CRA.

Reasons

The Committee took into account a report written by the Commons Registration Officer ("the Officer"). The Officer's report made a recommendation to the Committee to accept the application, on the basis that the evidence produced by the applicant proves, on the balance of probabilities, that the statutory criteria to register the Application Land as a town or village green, in accordance with section 15(2) of the Commons Act 2006, has been satisfied.

Officer's report available at:

The CRA has made a new entry to the Register, unit number VG140 "Hincaster Village Green", in the register of common land and town and village greens held by the CRA to give effect to the decision.
