Notes

1. Where possible surname, initials, date & nature of wound are indicated, Date of discharge due to wounds or disability and award of Silver War Badge (SWB) is also shown.

2. **Bold** indicates first occasion of wounding/date of discharge. Plain text indicates additional instances of wounds/discharge.

3. GSW= Gun shot wound

4. Eight instances of wounding or discharge occur after December 1918 or for which no date can be confirmed.

5. This list is doubtless incomplete nb. Brown A – only third wound recorded.

6. Symbol † indicates casualty KIA/DOW at later date not from wounds recorded.

7. At least one hundred and thirteen men were wounded at least once.
