PressReader Android User Guide

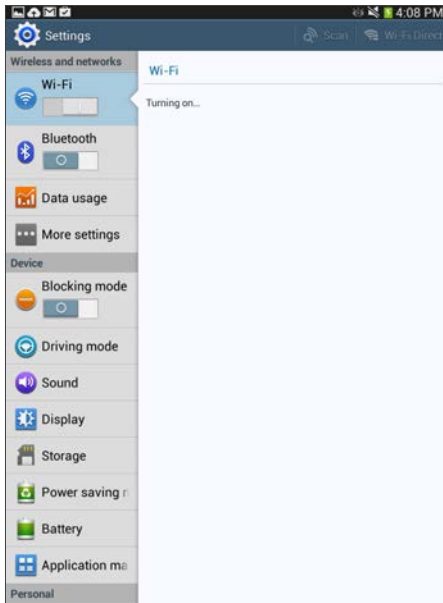

What is PressReader?

PressReader delivers the most authentic newspaper and magazine reading experience on tablets and smartphones and eReaders running iOS, Android, Windows 8 and BlackBerry 10 operating systems.

With PressReader, you can hold an enhanced digital replica of your favorite publication in your hands and read it from cover to cover, just the way the title was printed - with no compromises in quality, fidelity or content.

Setting up PressReader

1 Connect to Wi-Fi

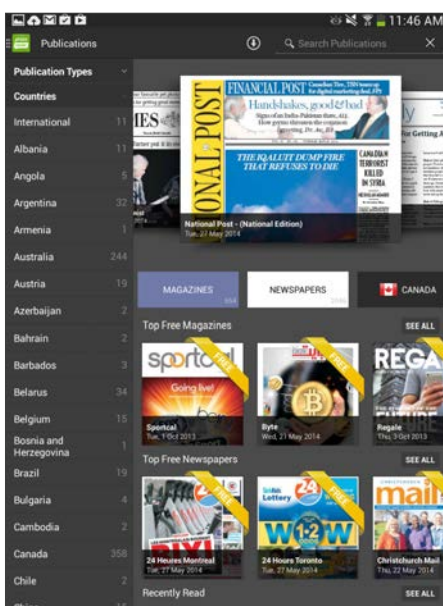

2 Search for PressReader in App Store and download the free app

3 Launch PressReader and authorize your account in "Accounts" or connect to a HotSpot

Downloading Publications

1 Search for publications by type, country, category or language

2 Tap the star for favorite titles you want to add to "My Publications"

3 Download the issue
