We clinically assess all our patients.

Segregate Waste

The above premises produce both Hazardous and Offensive waste and we wish to segregate our waste.

We confirm that the above premises produce hazardous waste.
If expected waste produced is over 200kg please enter Registration No.

Our staff are trained in the correct segregation of Healthcare waste and we have a Healthcare Waste Policy in place.

Offensive Waste

We confirm that the clinical waste produced at the above premises is offensive waste and not hazardous.

Our staff are trained in the correct segregation of Healthcare waste and we have a Healthcare Waste Policy in place.

We understand that our waste will go in yellow/black bags (tiger bags) and be disposed of on a landfill site.

We confirm that if the nature of our waste changes to hazardous in any 12 month period we will notify the Environment Agency and advise Alco Healthcare.

Hazardous Waste

We confirm that the above premises produce hazardous waste.
If expected waste produced is over 200kg please enter Registration No.....

Our staff are trained in the correct segregation of Healthcare waste and we have a Healthcare Waste Policy in place.

We understand that on every collection of our Hazardous waste a Hazardous Waste Transfer Note must be completed for which there will be an additional charge.

We confirm that the clinical waste produced at the above premises is hazardous but that we are exempt and produce less than 200kg per annum.

We confirm that if we intend to, or do, produce more than 200kg of hazardous waste in any 12 month period, we will notify the Environment Agency and advise Alco Healthcare of our registration number.
