ALLERDALE SPEED LIMIT REVIEW 2018: HIGH SEATON

Site description:

High Seaton is the north-eastern-most extremity of Seaton village, extending in the direction of Broughton Moor. Both Seaton and High Seaton are subject to a 30mph limit; however a new housing development is being constructed to the north east of the village, which therefore necessitates an extension of the existing 30 limit.

Proposed changes to the speed limit:

To extend the existing 30mph speed restriction, beyond the new housing development.

Summary of reasons for proposed change:

So that the start of the speed limit covers the additional new development.
