ALLERDALE SPEED LIMIT REVIEW: BLENCOGO

Site description:	Blencogo is a small village situated a few miles west of Wigton. The village is subject to a 30mph limit; however a new housing development is being constructed to the west of the village, which therefore necessitates an extension of the existing 30 limit.
Proposed changes to the speed limit:	To extend the existing 30mph speed restriction, beyond the new housing development.
Summary of reasons for proposed change:	So that the start of the speed limit covers the additional new development.
