ALLERDALE SPEED LIMIT REVIEW: MAWBRAY

Site description:	Mawbray is a small hamlet situated a on the Solway Coast between Silloth and Allonby. Currently there is no formal posted speed limit, however the hamlet has is subject to an element of through-traffic and is sufficiently-sized in order for a 30mph limit to be implemented.
Existing traffic conditions:	Average speeds are in the order of 29mph.
Proposed changes to the speed limit:	To implement a 30mph speed restriction.
Summary of reasons for proposed change:	Implementation of a 30mph speed limit would align with existing average speeds whilst ensuring that it is enforceable.
