Offers of help

If you want to help, please email ppc.emergencyoffersofsupport@cumbria.gov.uk . Make any financial donations to the [Cumbria Community Foundation](#) appeal.

Funding & Financial Assistance

Funding of up to £5,000 for flood repair and resilience

This funding is also available from the Government for properties that were flooded between 3-11 December 2015. The grants must be used for making additional flood resilience and resistance measures in homes. This could mean taking steps to keep water out, or making changes inside the building to reduce the cost of damage from flood water in the future.

You could receive up to £5000 if the inside of your property was flooded. Grants are intended only to fund measures which improve the property's resilience or resistance to flooding, over and above repairs that would normally be covered by insurance.

If you have any queries on the scheme, please contact us on 01900 702702 or email customer.service@allerdale.gov.uk

Funding for properties that have been flooded from the Government

The Government is providing a fixed payment of £500 for all households living in a property that has been flooded.

For those properties that already pay their council tax by Direct Debit the good news is that you don't need to do anything! This payment will be paid directly into your bank account and the payment will show up as a payment from your local district council.

If you do not pay your council tax by direct debit then please contact Allerdale Borough Council customer.service@allerdale.gov.uk or call 01900 702 600.

Council Tax discounts

Further details on Council Tax discounts for those whose houses have flooded can be found on the Allerdale Borough Council webpage www.allerdale.gov.uk/floodadvice under the Cumbria 2015 Council Tax Relief Scheme page.

For more information visit www.cumbria.gov.uk

Cumbria Flood Factsheet

Allerdale Borough Council have a list of properties which they know have been flooded and shall apply the discount automatically. If you feel your property has been missed, or you have any other enquiry, please call 01900 702 530 or email revenues@allerdale.gov.uk

Funding for individuals and families from the Cumbria Community Foundation

The Cumbria Flood Recovery Fund 2015, which is being run by the Cumbria Community Foundation, will provide financial assistance to help individuals and families who have been affected.

There is help available for individuals and families whose homes have significant structural damage from flooding and for employees who have lost work or income because of storm or flood. Please go online to apply at www.cumbriafoundation.org.

Help for voluntary and community groups

Voluntary and community organisations also play a vital role in supporting communities during times of need and grants will be made available to them also.

Support is available to voluntary and community groups who are providing immediate relief to people and longer term community rebuilding projects. Support will also be provided to flood affected community facilities. Please apply on line at www.cumbriafoundation.org or call 01900 825760

Funding for Businesses affected by flooding

Funding is now available to support businesses severely affected by the recent flooding – whether flooded directly or affected less directly through, for example, extended road closures.

Grants are available to non-farming small and medium sized businesses (up to 250 full time equivalent employees). Support for farming businesses is being arranged separately through Defra.

Grants can be used for a wide range of activities to support survival and recovery such as marketing, interest payments on new and existing loans, specialist advice, training, equipment and other activities supporting implementation of a recovery action plan.

Growth Hub advisers are available free of charge to assist with development of action plans and help put together the application. All applications must be reviewed and signed off by a Growth Hub adviser.

They can also provide other practical advice and support and link businesses into other advice, support and funding available to them.

Application packs, including guidance notes on the scheme, are available to download at www.cumbriagrowthhub.co.uk.

The application process is simple and 75% of the grant will be paid up front within days of approval. To apply contact Cumbria Business Growth Hub, **Tel: 0844 257 8450** or info@cumbriagrowthhub.co.uk.
