Issue 6 – 14 March 2016

Flood Fair

A flood fair is being held at **Christ Church in Cockermouth** on **Wednesday 16 March** from **3-7pm**, where all those affected by flooding will be able to get information and advice from representatives from Cumbria County Council, Allerdale Borough Council, Environment Agency, National Flood Forum, JT Atkinson, Cumbria Community Foundation, Citizens Advice Bureau and more.

Advice and Support

If you need any assistance, particularly if you are uninsured, please contact:

Allerdale Borough Council – 01900 702600/01900 702702 or

www.allerdale.gov.uk/floodadvice

Cumbria County Council - 01900 706189, email michelle.jackson@cumbria.gov.uk or

Workington Flood Action Group

Workington Flood Action Group has a public group on Facebook, which posts information on a regular basis (see <https://www.facebook.com/groups/1078516822168979/>).

Flood Sacks

Allerdale Borough Council has supplies of FREE flood sacks (similar to sand bags) for residents and businesses to collect to help people protect their property from flooding.

Flood sacks can be collected from Allerdale area offices (see <http://www.allerdale.gov.uk/contact-or-find-us/council-offices.aspx> for locations and opening times) and are also available from other locations including:

- The Dairy, Aspatria (24 hours)
- Hazelmere Guest House, Crosthwaite Road, Keswick
- Braithwaite Village Hall
- Wigton Hospital, Cross Lane, Wigton (24 hours)

Flood sacks are items which swell when placed in water and can act as a barrier, much like a sand bag, to divert water. When dry they are light and reasonably flat so they can be stored for when they are required.

If you are worried about flooding you can also get sandbags and flood sacks from builders merchants.

For more information visit www.cumbria.gov.uk

Cumbria Flood Factsheet

Please remember that sandbags and flood sacks are only an aid to slowing down water ingress. They cannot be relied upon to protect your property from flooding.

Refuse Collection

New arrangements are now in place for the removal of flood-damaged waste from homes and businesses.

The Council collected hundreds of tonnes of flood damaged goods and material in the weeks immediately after the storms which hit the area in December.

The rules on the disposal of building material, such as plaster and plasterboard were relaxed by Cumbria County Council and the Environment Agency in the immediate aftermath of the floods, which meant the Council could take this type of material as part of its normal collections. This was to help businesses and residents recover and start repair work as quickly as possible. However, the relaxation on the rules ended on 31 January 2016 and so Allerdale Borough Council is no longer able to provide this service.

Individual householders can take any bagged building material to the local municipal waste sites in Maryport, Workington or Wigton. For further advice on disposing of this material, call Allerdale Borough Council on 01900 702 800.

Any material produced by building contractors is deemed to be commercial waste and should be disposed of by them in the correct way, as required under their duty of care as commercial waste producers.

Allerdale Borough Council also offers a bulky waste collection for householders. Residents can have up to six items collected for £19.17. This includes items such as sofas, fridges and mattresses.

Allerdale Borough Council officers are committed to help all those that have suffered as a result of the flooding. For advice on waste collection please contact them on 01900 702 800.

HWRC Permit Scheme Update

Cumbria County Council temporarily suspended the HWRC permit scheme for flood affected householders during the floods to enable disposal of flood damaged waste. The permit scheme was reinstated from Monday 11 January. This means that any householders wishing to visit a HWRC with a van, pickup or trailer will need a permit. Permits can be applied for online through the Cumbria.gov website or by calling 0845 055 1119.

Crime Prevention Advice

Fraudulent activity / door steppers:

- Use people/firms you know, obtain several quotes, and don't let unknown traders persuade you into having works done
- If in doubt tell the caller to leave and do not let someone into your home you do not know – genuine traders will not try to pressurise you
- Look out for neighbours and friends – especially those who are vulnerable and elderly
- Call Citizens Advice Consumer Service on 03454 040506 for advice or to report a suspicious trader, or call 101 to report an incident to the police

For more information visit www.cumbria.gov.uk

Protecting property:

- When it is safe to return to your property, please consider removing items of financial and sentimental value to a safe venue, e.g. a relative's address
- If you are looking to ventilate your property, remember to close and secure doors and windows on departure/when going to bed
- Remain vigilant; community spirit is critical at this time, please look out for your neighbours
- Challenge people you do not recognise, genuine people will not be offended by this. If you do not have the confidence to challenge, report it
- If it looks suspicious or out of the ordinary, report it to Cumbria Police on 101

Cumbria police and partners urge residents to register on Cumbria Community Messaging. A free information service through which you can receive updates on what is happening in your area. You can register online at: <https://www.cumbriacommunitymessaging.co.uk/>. Updates can also be found on the Constabulary website (www.cumbria.police.uk), and the Constabulary's Facebook and Twitter accounts (@cumbriapolice).

'Flood Funding' Available

If you still haven't applied for funding to help you recover following the floods then there is still time. Make sure you get the money you are entitled to.

Whether you are a resident or a business there are a number of different grants that can help you get back on your feet including the following:

1. £500 for any household in a residential property that has been flooded for general recovery
2. Up to £5000 for any residential or business property that has been flooded and wants to carry out resilient repairs to make their property more repairable in the event of flooding or install resistant measures, such as installation of flood barriers.
3. Funding for individuals and families from the Cumbria Community Foundation
4. Help for voluntary, sporting and community groups
5. Help with Council Tax and Business Rates
6. Support for Farmers

1. £500 for any residential property that has been flooded

The government is providing local authorities with Community Grants as part of the Communities and Business Recovery Scheme. This will be equivalent to up to £500 per household affected by flooding between the 3-11th December 2015. It will help with recovery costs such as provision of temporary accommodation.

In Cumbria this will mean a fixed payment of £500 for a household that has been flooded.

For those properties that already pay their council tax by Direct Debit the good news is that you don't need to do anything! This payment will have been paid directly into your bank account and the payment will show up as a payment from your local district council who are administering the scheme. The first payments were made before Christmas.

For more information visit www.cumbria.gov.uk

Cumbria Flood Factsheet

If you do not pay your council tax by direct debit, or you haven't received the automatic payment and think you are eligible, then please contact your local district council who will be happy to help you apply for the payment.

Allerdale Borough Council floodgrants@allerdale.gov.uk or call 01900 702 600.

2. Up to £5000 for any residential or business property that has been flooded and wants to be more flood resilient and install some home flood defences

The government has also made available up to £5000 to homeowners and businesses that were flooded over the incident period 3 – 11 December 2015, the grant is to assist households and business carryout measure in their properties to help them recover quicker from a flood should it occur again, making the property more resilient.

If you would like further information on the grant scheme, then please contact your local district Council. They will be able to provide you with information on the application process and will be able to direct you towards information from professional sources to assist you with your application.

Part of the eligibility criteria allows you to get a qualified surveyor to assess your home and make a professional recommendation as to how the money is best used/invested. £500 of the overall £5000 can be claimed against that cost. Alternatively there is free advice available on the DEFRA website.

Please contact your local council for more information:

Allerdale Borough Council floodgrants@allerdale.gov.uk or call 01900 702 600

3. Funding for individuals and families from the Cumbria Community Foundation

The Cumbria Flood Recovery Fund 2015, which is being run by the Cumbria Community Foundation will provide financial assistance to help individuals and families who have been affected.

There is help available for individuals and families whose homes have significant structural damage from flooding and for employees who have lost work or income because of storm or flood. Please go online to apply at www.cumbriafoundation.org.

4. Help for voluntary, sporting and community groups

Voluntary and community organisations also play a vital role in supporting communities during times of need and grants will be made available to them also.

Support is available to voluntary and community groups who are providing immediate relief to people and longer term community rebuilding projects. Support will also be provided to flood affected community facilities. Please apply on line at www.cumbriafoundation.org or call 01900 825760

If you are a sports group which has been affected by the flooding, there are grants available from Sport England at: <http://www.sportengland.org/funding/our-different-funds/flood-relief-fund/>

5. Help with council tax and business rates

Council Tax - If you had to move out of your home because of flooding you will receive a 100% discount on both your flooded home and the property you have moved to if you are liable to pay council tax on your temporary home. If you are continuing to reside in the property that has been

flooded but are unable to use the whole property, for example, using only the upstairs rooms, you are also eligible for a discount.

Business Rates – there is 100% rate relief for a three month period to all businesses flooded. The relief applies for the full three months even if the premises reopen within that time. A fresh application can be made if the adverse effects continue and will be considered by the Council. The total maximum period for which relief can be obtained is 12 months.

Please contact your local council for more information on the above:

Allerdale Borough Council revenues@allerdale.gov.uk or call 01900 702 530 for Council tax and 01900 702 990 for business rates

6. Support for Farmers

Farmers affected by the recent flooding in the North of England can apply for up to £20,000 of government money to help restore damaged agricultural land.

The Farming Recovery Fund provides money to help farmers in Cumbria, Northumberland and North Lancashire. It covers damage from the flooding which took place between December 4 and December 9, 2015.

The minimum grant available is £500 and the maximum £20,000. Applications can be made until **Friday 18 March 2016**. For more information go online at <http://www.nfuonline.com/about-us/our-offices/north-west/cumbria/latest-news/farming-recovery-fund-opens-for-applications/>

Or call the North West regional office on : 024 7685 8500

Forage Aid is the charity that supports farmers whose livestock has been affected by an extreme weather event by providing forage and/or bedding to those in need. Forage Aid source forage and bedding from donations and pledges from within the farming community, then distribute it to those whose own supply of feed has been destroyed or made inaccessible due to the weather. See: <http://www.forageaid.org.uk/>
