This brochure brings together training courses offered by the Learning Improvement Service, which are administered by the School Development Team.

This brochure is available to view and download from the Early Years web pages
www.cumbria.gov.uk/childrensservices/schoolsandlearning/lis/eyfs.asp

Pricing, Bookings and Payment

Prices for each individual course can be found on the course details page.

Each event detailed in this brochure has been scrutinised to ensure the proposed fee is as low as possible.

Applications for all training courses must be made using the attached booking form. Please complete the form and return with your payment (please make cheques payable to **Cumbria County Council**) to: School Development, Learning and Skills, People, Cumbria County Council, Parkhouse Building, Kingmoor Business Park, Carlisle, Cumbria, CA6 4SJ

Commitments and Cancellations

If you wish to cancel your place on a course you may do so by either calling **01228 221315** or emailing schooldevelopment@cumbria.gov.uk no less than **5 working days** before the start date. If cancellations are made after this time, please be advised that refunds cannot be given.

If you have a provisional booking for which payment has not been made in advance and you fail to attend or give the correct cancellation notice then you will be

charged the full course fee. **Please note that any waivers are at the discretion of the Early Years/School Development Teams.**

Should we have to cancel any training due to unforeseen circumstances we will contact you to advise of the situation and offer alternative dates.

Evaluation

To ensure that our courses remain relevant, effective and of high quality, we ask delegates to provide feedback. After training courses have taken place, delegates will be emailed a link which should be followed to input evaluation comments; this should be done within two weeks of the course date. Once the feedback has been submitted a certificate of attendance will be available to download. **Delegates will not receive a certificate if they do not complete the feedback.** The only exception to this is the Early Years Specific Safeguarding (Formerly Level 2) – Safeguarding Responsibilities Threshold Guidance and Referral Processes training course, where certificates will be issued as soon as the delegate list is returned to the School Development Team.

If you have any other comments about any aspect of our training courses, or would like to see anything else included in our offer, please do not hesitate to contact the School Development Team:

Email: schooldevelopment@cumbria.gov.uk

Telephone: **01228 226817**.

We look forward to seeing you at our courses during the next year.

Yours Sincerely
