Explanatory Notes

1. The Local Authority is proposing to make a prescribed alteration to the school by extending the age range to allow the provision of nursery education.
2. The nursery will be accommodated in the existing school buildings and will provide for up to 12 part-time places. The nursery would operate 1 session each day (Monday to Friday) 9am-12pm during term time. Each session will usually last 3 hours. Children from families meeting the criteria will be allowed to access, free of charge, up to 15 hours each week (5 three hour sessions).
3. Admission to the nursery will be in accordance with the school's published policy on nursery admissions.
4. Admission to the nursery does not guarantee a place in the first year infant group i.e. the reception group. The county council's admissions policy, as amended from time to time will apply for admission to the reception group to which up to 10 pupils will be admitted in September 2013. That is also the number of places that it is anticipated will be available in the other year groups.
5. All objections and other comments made (and not withdrawn in writing) within the representation period will be sent in full to Cumbria County Council's Cabinet and published on the website; thereby making them a public document. The final decision on whether or not to implement these proposals will be made using guidance provided by the Department for Education, by the Cabinet of Cumbria County Council, within 2 months of the end of the representation period.
