- (a) details of the early years provision, including the number of full-time and part-time pupils, the number and length of sessions in each week, and the services for disabled children that will be offered;

There would be 0 full-time pupils and 12 part-time pupils. The proposed nursery class would initially operate one session each day (Monday to Friday) and those sessions will be three hours duration each, from 9.00 am to 12.00 noon.

- (b) how the school will integrate the early years provision with childcare services and how the proposals are consistent with the integration of early years provision for childcare;

It is planned that the children will be taught alongside older children but with their specific needs met to a high standard and within the requirements of the Early Years Foundation Stage (EYFS). They will both be supported by an Early Years (EY) Adviser for planning, learning and assessment.

- (c) evidence of parental demand for additional provision of early years provision;

During the consultation, 100% of the parents and prospective parents were in favour of the provision.

- (d) assessment of capacity, quality and sustainability of provision in schools and in establishments other than schools who deliver the Early Years Foundation Stage within 3 miles of the school; and

There are several providers of free entitlement within three miles;

Dalton Street Mary's, 1 mile: Capacity of 26 places currently has 12 spaces. Quality of provision is good.

Chetwynde School, 1.9 miles: Capacity of 25 places currently has 5 spaces. Quality of provision is outstanding.

Chapel street, 2 miles: Capacity of 78 part time nursery places currently has 38 spaces. They are expecting a further 10 children in January and 2 at Easter. Quality of provision is good.

Kids Unlimited, 2 miles: Capacity of 28 nursery places currently has 6 spaces. Quality of provision is good.

Yarlside, 2 miles: Capacity of 26 places. They are full with a waiting list. They have been over subscribed for a number of years. They are also over subscribed in Reception. Quality of provision is good.

Little Stars, Yarlside, 2.1 miles: Capacity of 24 places currently has 3 spaces. Quality of provision is good.

Holy Family Catholic School, 2.7 miles: Capacity of 26 places. Quality of provision is good.

Newbarns Primary School, 2.8 miles: Capacity of 52 places. Quality of provision is outstanding.

The Local Authority is not aware of any early years settings/providers that are facing sustainability issues within the Newton area. An assessment of the General Practitioner Register shows the number of current children in the local area is consistent with previous years.

- (e) reasons why such schools and establishments who have spare capacity cannot make provision for any forecast increase in the number of such provision.

There is no safe walking route to the other providers. Public transport to/from Newton is not regular enough to make travelling to an alternate provider for three hours free entitlement a reasonable option so access to a car would be needed. During the consultation parents also stated that it was difficult to meet other school starting times when you have siblings to drop off at the school.
