

239 PROPOSED PUBLICATION OF STATUTORY PROPOSAL FOR A CHANGE OF AGE RANGE - THWAITES COMMUNITY SCHOOL

The Corporate Director – Children’s Services presented a report which outlined the responses to the public consultation on the possible change to the age range at Thwaites Community School, Millom, which would result in the addition of nursery provision at the school. The consultation took place between 25 March and 3 May 2013, and Cabinet was asked to consider the consultation response, and decide whether to publish the statutory proposal required to bring about the change.

RESOLVED,

- (1) That the publication of notices for the change of age range at Thwaites Community School be approved;
- (2) To note that a decision to publish statutory notices triggered the beginning of a formal ‘representation period’, during which interested parties could submit their views on the proposals. In deciding to publish a statutory proposal Cabinet would be required to make a final decision on implementation following the representation period; a report seeking this decision would be presented to Cabinet on 19 September 2013.
