

YOUNG PEOPLE'S ADVISORY FORUM - SEPTEMBER 2015

WHAT YOU SAID LAST TIME...

THE BOARD

We really like the cyberbullying films and videos you told us about and have been sharing them on our Twitter feed and the LSCB website.

Pam Hutton, attending from the LSCB, said:

"I really enjoyed attending the forum, the young people obviously felt that Bullying was a big issue for a lot of children and young people. They were very keen to present to the LSCB and let them know first-hand their thoughts, ideas and feelings on children and young people's emotional wellbeing.

"I certainly feel it is important for a member of the LSCB to attend each of the forums, so that the young people know they are being listened to."

Following the meeting in July, Board members would like to invite you to present to them. They're extremely keen to hear what you have to say and to hear more about your work at the Forum. We'll work with you to arrange a date/time, let us know when you'd like to meet?

Board members visiting you today are Sarah Gaskell (Named Nurse Safeguarding and Protection from Workington Community Hospital) and Deborah Royston (Senior Manager Targeted Youth Support from Children's Services).

YOUNG PEOPLE'S ADVISORY FORUM - SEPTEMBER 2015

WHAT WE DO?

The Local Safeguarding Children Board (LSCB) is a group of organisations from across Cumbria who work together to help keep children and young people safe.

Members of the LSCB include Schools, Children's Services, the NHS, Barnardo's, the Youth Offending Service and Cumbria Police.

There are many areas to our work, some include:

- Making sure that people working with children and young people (teachers, social workers, school nurses etc.) have access to safeguarding training
- Making sure that workers know what to do to protect you
- Helping the agencies above provide services to safeguard you
