1.0 Introduction
This policy outlines clearly and simply the procedures and protocols which are currently in operation around admissions into Furness Academy. As an Academy we are our own admissions authority, but we have taken the decision to carry on working closely with the Local Authority to ensure that all arrangements are both transparent and fair.

2.0 Approved Admissions for Furness Academy
The Academy will act in accordance with, and will ensure that the Independent Appeal Panel follow, all relevant provisions of the School Admissions Code and the School Admission Appeals Code published by the Department for Education ("the Codes") as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or law to "admission authorities" shall be deemed to be references to the governing body of the Academy.

2.1 Notwithstanding these arrangements, the Secretary of State may direct Furness Academy to admit a named student Furness Academy on application from a Local Authority. Before doing so the Secretary of State will consult the Academy.

3.0 Procedure for Admitting Students to the Academy
The Academy has the following agreed admission number for the Academy for the Year 2020/2021 and, subject to any changes approved or required by the Secretary of State, for subsequent years are:

a. Furness Academy has an agreed published admission number (PAN) of 240 students. Furness Academy will accordingly admit at least 240 students in the relevant age group i.e Year 7 each year, if sufficient applications are received.

b. In a specific year, the Academy may set a higher admissions number than Furness Academy's agreed admission number (PAN) for an applicable year group. The Academy is not required to consult on any proposed increase to the PAN; however, it must notify the Local Authority of the increase and specify the changes on the Academy website. Students will not be admitted in any year group above the published admission number for that year group unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

4.0 Process of Application
Arrangements for applications for places at Furness Academy will be made in accordance with the LA’s coordinated admission arrangements and will be made on the Common Application Form provided and administered by Cumbria County Council.

4.1 Furness Academy will use the Cumbria County Council timetable for application to Furness Academy each year (exact dates within the months may vary from year to year). This will fit in with the timetable for the co-ordination of admission arrangements as determined and published by Cumbria County Council:

a. By September of the preceding Year, Furness Academy will publish its prospectus that will include arrangements for admission to the Academy including, oversubscription criteria, for the following September. This will include details of open evenings and other opportunities for prospective students and their parents to visit the school.

b. September/October - Furness Academy will provide opportunities for parents and prospective students to visit Furness Academy;

c. October - Common Admissions form to be completed and returned to LA by the 31 October for them to administer;

d. November/December - Cumbria LA sends details of applications to Furness Academy;

e. December - Furness Academy ranks applicants according to the over-subscription criteria for the Academy and sends list of students to Cumbria LA.
f. January/February – Cumbria County Council applies agreed scheme for schools in Cumbria informing other LA’s of offers to be made to their residents;
g. 1 March or first working day of March - offers made to parents/carers by Cumbria County Council on behalf of Furness Academy.

5.0 Consideration of Applications
Furness Academy will consider all applications for places where fewer than the published admission number(s) for any relevant year groups are received. Furness Academy will offer places to all those that have applied.

5.1 Furness Academy may refuse admission to particular applicants in the specific circumstances described:
• Where a child has been permanently excluded from two or more schools
• Where we have a year group with a high proportion of students with challenging behaviour or previously excluded students, the governing body may decide not to admit a student outside the normal admissions round even if there are places available. In these circumstances, and where applications meet the criteria, cases may be referred through the LA Fair Access Protocol.

6.0 Procedures where Furness Academy is over-subscribed in Year 7
Where the number of applications for admissions is greater than the published admission number, applications will be considered against the criteria set out below.

After the admission of students with Education Health Care Plan (EHCP) where Furness Academy is named in the EHCP, the criteria will be applied in the order in which they are set out below:

a. Looked After Children who are in the care of local authority or provided with accommodation by that authority in accordance with section 22 of the Children Act 1989 and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order). (A letter from the responsible Local Authority confirming the young person’s status must be provided).

b. Young People living within the catchment area and who at the time of application have a brother or sister, (including half-siblings, adopted siblings and those living as siblings in the same family unit) on roll of Furness Academy and who will still be on roll at the time of the sibling’s admission i.e. giving priority on the basis of the youngest sibling.

c. Children of staff:
   i. Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the Academy is made, and /or
   ii. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

e. For those who attend a Furness Academy catchment feeder primary school, for clarity the schools in catchment are; New barns Primary, Greengate Junior, Cambridge Primary, St Georges C of E Primary, St Paul’s C of E Junior, Roose Community Primary, Dane Ghyll Primary, St James C of E Junior.

f. To those living nearest to the Academy measured in a straight line (the distance to be determined by using a distance measurement tool, such as Multimap) from the front door of the Academy to the front door of the child’s home.

g. Young People living outside the catchment area who at the time of their admission,
have brothers and sisters (including adopted siblings, step-siblings and those living as siblings in the same family unit) on roll of the Academy and who will be still on roll at the time of admission i.e. giving priority on the basis of the youngest sibling.

h. Other Young People living outside the catchment area whose parent/carer wants a place for them; a place will be offered to those meeting this criterion who live closest to Furness Academy measured in a straight line (the distance to be determined by using a distance measurement tool, such as Multimap) from the front door of the Academy to the front door of the child’s home.

In the event of a tie break under criteria a-h, when all other factors are equal, random allocation will apply.

7.0 Operation of Waiting Lists
Subject to any provisions regarding waiting lists in Cumbria County Council co-ordinated admission scheme, where in any year the Academy receives more applications for places than there are places available, a waiting list will operate until the end of term after the start of the school year. This will be maintained by Furness Academy and it will be open to any parent/carer to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application. If additional names are added to the waiting lists the criteria set out above will be used to rank accordingly. Names will be removed from any waiting list at the end of each term.

7.1 A Child’s position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraph 6.0 6a-6h above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. Parents must ensure that they contact the school termly in writing, to state that they wish to remain on the waiting list.

8.0 Arrangements for admitting students to other year groups, including to replace any students who have left Furness Academy
Subject to any provisions in LA’s coordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child unless one of the permitted reliefs apply. If more applications are received than there are places available, the oversubscription criterion paragraph 6.0 6a-6h shall apply. The Academy will not consider fresh applications in the same academic year unless there is a significant and material change of circumstances relative to a fresh application.

8.1 In line with the Schools Admissions Code 2014, the Academy on receipt of an in-year application, will notify the LA of both the application, and its outcome, to allow the LA to keep up to date figures on the availability of places in the area. The Academy will also inform parents of their legal right to appeal against applications that have been unsuccessful.

8.2 On receipt of an in-year application for a child who is on roll at another school within the locality, the Academy will not consider admitting the child on roll until the start of the next new academic term. Unless there are exceptional reasons for doing so.

8.3 Furness Academy will participate in Cumbria County Council’s in-year Fair Access Protocol.

9.0 Arrangements for Admissions of students as Furness Academy builds to its full capacity
a. Admission to year-groups after the year of entry will be based on the Academy’s published admissions number. The Academy may make subsequent decisions based upon the size of teaching groups already existing in the Academy and the efficient use of resources. This may mean that the Academy may refuse admissions even where there are less students in the year
group than the Academy published admission numbers.
b. There will be a right of appeal to an Independent Appeal Panel for unsuccessful applicants.

10.0 Arrangements for Appeals
Parents/Carers will have the right of appeal to an Independent Appeals Panel if they are dissatisfied with an admission decision of the Academy. The arrangements for Appeals will be in line with the School Admissions and Appeals Code 2012 published by the Department for Education.
