The published admissions number (PAN) for Reception Year in September 2023 is 30.

The main principle of admission to Petteril Bank School is to provide a welcoming, safe and supportive learning environment that meets the needs of young persons within the 3-11 age range, who live in the surrounding area.

The Trust will endeavour to provide places for students who wish to attend Petteril Bank School provided they can be accommodated within the scope of this policy.

The closing date for applications for Reception year in September 2024 is 15 January 2024.

## **Section 2 – Roles and Responsibilities**

It is the responsibility of Cumbria Education Trust to set and publish the admissions criteria for the school as defined in this policy and for ensuring that these criteria meet with the requirements of law.

The Trust will ensure that:

- Admissions criteria are clear, fair and objective
- Arrangements are as simple as possible
- All parents' preferences are treated on an equal basis

It is the responsibility of the Headteacher to ensure the requirements of the Trust's policy are implemented at all times and reviewed on an annual basis. Where changes are to be made, public consultation will occur as required and outlined in Department for Education's (DfE) Admissions Code (December 2014).

## **Section 3 – Definitions**

The catchment area is the old Harraby area of Carlisle. A catchment map is available on request.

By sibling we mean:

- Children living at the same address who have one or both natural parents in common
- Children living at the same address who are related by parent's marriage
- Children living at the same address whose parents are living as partners at this address
- Children who are adopted or fostered
- We do not include "cousins" within our definition of sibling

## **Section 4 – Admission Criteria and Oversubscription**

Places will be offered firstly to Looked After Children i.e., children who are looked after by a public authority and are in public care, and previously looked after children who were looked after, but

ceased to be so because they were adopted, or became subject to a child arrangements order, or special guardianship order.

In the event of oversubscription, the following criteria will apply:

1. Children living in the catchment area who have brothers and sisters in the school at the time of admission.
2. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school who a) have an Educational Health Care Plan that names that school or b) were directed to the school by the LA in the absence of a place being available in the catchment area school due to oversubscription and the school was identified by the LA as the next nearest with a place available.
3. Children living in the catchment area who are attending Petteril Bank School Nursery at the closing date for applications for a school place.
4. Children of staff employed by Petteril Bank School, where the member of staff has been employed at the school for two years or more years at the time at which the application for admission to the school is made and the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Other children living in the catchment area giving priority to those living closest to the school, measured by the shortest walking route by road.
6. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission.
7. Children living outside the catchment area who are attending Petteril Bank School Nursery at the closing date for applications for a school place.
8. Children living outside the catchment area, giving priority to those who live closest to the school, measured by the shortest walking route by road.

The criteria outlined above will be strictly followed with there being one exception. If a child holds an Education health and Care Plan that names Petteril Bank School then irrespective of the criteria, the child will be admitted as in these circumstances the Local Authority Board have a statutory duty to admit the child concerned.

## **Section 5 – In Year Admissions**

In year admissions enables parents to transfer their child between primary schools. To apply for a place in Years 1-6, or Reception year after the first term, applicants should contact the school's Office Manager.

In year admissions will be based on the size of the year group taking into account the size of teaching groups already in the school and the curriculum model that has been implemented that most efficiently provides for the education of the students. If there are places available in the year group within the relevant curriculum model that is in place, then applicants will be admitted. If the year group is full, it may not be possible to offer your child a place. If the number of applicants for a year group exceeds the number of places available, the oversubscription criteria detailed in this policy will be applied. Waiting lists will be held by the school.

## **Section 6 – Waiting Lists**

Petteril Bank School will operate a waiting list for Reception year admissions until 31 December 2024. If places become available during this period places will be allocated in the same priority as the

oversubscription criteria detailed in this policy. The waiting list will be reordered when anyone leaves or joins the waiting list up until 31 December 2024.

## **Section 7 – Appeals**
