

St Patrick's Church of England School Policy on School Admissions

2023-2024

The Governors of St Patrick's Church of England VA School are the Admissions Authority for the school. Following consultation with the Diocesan Board of Education and the Local Authority the Governors have set the published admission number for access to the reception class as 15.

The parental pack contains information for admission to our school; it is also possible for an application to be made on the Local Authority's website.

An application for entry in September 2023 must be made subject to the LA closing date of 15th January 2023.

Parents are encouraged to name three schools in order of preference on the application form. The Governors operate a system whereby they consider all preferences equally. So the order of your preferences will not be used in considering your application. (It will only be used if a place is available for your child at more than one school.) Places at this school will be allocated according to this Admissions Policy and the Local Authority's Coordinated Admissions Scheme. A letter informing parents of the success or otherwise of their application will be sent out by the Local Authority in April. Parents of those children not offered a place will be informed of the reason and offered an alternative school by the Local Authority. They will be informed of their right of appeal.

Summer Born Children

The new School Admission Code published in September 2021 states that summer born children can be admitted to reception classes at the age of five (i.e. a full school year later than they would be entitled to start) if it is in line with their parents' wishes, and to ensure that those children are able to remain with that cohort as they progress through school, including through to secondary school.

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children Looked After, Previously Looked after and Internationally Adopted Previously Looked after Children.

A "Looked After Child" is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.

A "Previously Looked After Child" is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

An "Internationally Adopted Previously Looked After Child" is a child who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
4. Children living in the catchment area.
5. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school.
6. Children living outside the catchment area.

A copy of the catchment area map can be found on the school's website:

www.st-patrickscofe.cumbria.sch.uk

The criteria outlined above will be strictly followed there being one exception. If a child has an Education Health and Care Plan (EHCP) naming St Patrick's Church of England VA School then irrespective of the criteria the child *will* be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break:

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. The distance is measured in a straight line from the centre of the child's address to a common point on the school site as determined by the LA. The Governors will use the Local Authority's computerised Geographical Information System (GIS) to ensure consistency of measurement. The closest addresses will have priority.

Address of Pupil:

The address on the application form must be the current one at the time of application. Where a child can live at more than one address the home address is to be the one where the child sleeps and thus wakes up for all or the majority of the school week. Where there is any doubt the governors reserve the right to verify the information provided by the parent(s), for example, through the GP or the child benefit address.

In Year Admissions.

In year admissions are those which occur outside the "normal" admission time. If you wish your child to attend St Patrick's Church of England VA School you should visit our school and admission details will be provided if we have a vacancy in the relevant year. If your child is refused a place you will be informed of your right to appeal.

Fraudulent applications:

If the Governors of St Patrick's Church of England VA School discover that a child has been awarded a place as a result of an intentionally misleading application from a parent, for example, an incorrect address and as a result it effectively denies a place to a child with a stronger claim then the Governors will withdraw the offer of a place. The Governors will reconsider the application and the right of appeal offered if a place is refused.

Deferred Admission:

For children beginning School following their fourth birthday admission is normally in September. However, if you wish entry can be deferred until later in the year or until the term in which your child reaches compulsory school age. For example if your child's fifth birthday is between September and December then, if you wish, admission may be deferred until the beginning of the Spring Term.

If it is between January and April admission may be deferred until the beginning of the Summer Term. You can also request part time education until the term in which your child reaches compulsory school age. The Governors recommend that in your child's interests full time education is deferred no later than the start of the Spring Term.

Admission of children outside their normal age group:

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting on their schooling. All such requests will be considered on their merits and either agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows: With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request. Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc. Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

Appeals Procedure:

If the Governors are unable to offer your child a place because of over subscription you as a parent have a right of appeal under the School Standards and Framework Act 1998 as amended by the Education Act 2002 and subsequent legislation. You should notify the Clerk to the Governors of St Patrick's Church of England VA School within 20 days of receiving the letter which will give the grounds for refusing a place. As a parent you will have an opportunity to submit your case to an independent (of the Governors) appeals panel. You must set out your grounds for the appeal in writing. You will normally receive at least 20 days notice of the time and venue for the appeal hearing where you will be able to present your case in person. This right of appeal does not prevent you from making an appeal in respect of any other school. The Independent Appeal will be organised on behalf of the Governors by the Local Authority Legal and Democratic Services Unit at Carlisle.

Waiting List:

Those children who are not offered a place may, if the parents so wish, be placed on a waiting list. The names will be placed on the list in the order of the admissions criteria. Late applicants will be slotted into the list according to the admissions criteria. It is thus possible for a child recently arrived in the area to have a higher priority than a child who has been on the waiting list for some time. Irrespective of whether an appeal has been submitted, if a place becomes available it will be offered to the child at the top of the list. The waiting list will remain open until 31st December.

Infant Class Size:

If your child was refused a place in a reception or key stage one class because of Government limits on infant class size, the grounds on which your appeal could be successful are limited. You would have to show that the decision was one which no reasonable governing body would have made or that your child would have been offered a place if the governors' admissions policy had been properly implemented.

Multiple births:

The Governors of St Patrick's Church of England VA School will ensure as far as possible that twins, triplets or those children born in the same year are not separated. Such children will be given priority in any particular category.

Excepted pupils:

While no infant class is to contain more than 30 pupils there can be very limited exceptional circumstances. The admittance of such a child(ren) will be known as an "excepted pupil" for the time they are in an infant class or until the numbers fall back to the size limit. An excepted child would be one whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil. It might also include a child born in the same school year; a child with an Education Health and Care Plan (EHCP); or looked after child, or a child of a UK Serviceman to be admitted outside the normal admission period.

Nursery:

If you have a child in our Nursery School/Class then you must make a separate application for the Reception Class. A place in our Nursery School/Class does not guarantee a place in our Reception Class.
