Priority

If the school reaches its planned admission limit within any of these criteria then, for those in that criteria, priority will be given to those who live nearest to the school, that distance being measured in a straight line on a map from the front entrance of the middle block to the child's home address.

In addition, the Admissions Authority for The Queen Katherine School will maintain a waiting list for the reallocation of any Year 7 places that become available after 25 March 2023 and up to the end of December 2023. Vacancies will be allocated using the over-subscription criteria. The length of time on the waiting list is not a factor.

An applicant who is refused a place at The Queen Katherine School has the right to appeal against this decision.

After allocation, any admissions appeal should be addressed to the Clerk to the Governors, c/o The Queen Katherine School.

Special Needs

The Queen Katherine School is designated as a school with strategic facilities to cater for children with special needs, a child holds an EHCP (Education Health Care Plan) which names The Queen Katherine School.

An exception will also be made where a child is currently being assessed and has been identified as having physical/medical difficulties and it is considered that attendance at The Queen Katherine School is necessary to meet those needs.
