

The Commons Act 2006 - Section 19 2(a)
NOTICE OF APPLICATION TO CORRECT THE REGISTER

Notice is hereby given that an application has been made by Robert Bryce Hasell-McCosh ("the Applicant") to Cumbria County Council as commons registration authority, under Section 19 (2) paragraph (a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to the boundary between common land register unit CL160 Deepdale Common and CL57 Grisedale Forest (shown edged red on the attached plan).

A summary of the effect of the application is as follows: Application No. 115 was submitted to the Commons Registration Authority on 15th December 1967 by Mrs. Sylvia Mary McCosh to register Grisedale Forest as common land. Grisedale Forest was provisionally registered as CL57 on 22nd March 1968. Subsequently Application no. 1398 was submitted to the Commons Registration Authority 25th June 1968 by Mr. Anthony Clifford Brown, to register Deepdale Common as common land. Deepdale Forest was provisionally registered as CL160 on 8th April 1970. The two registrations were in conflict with each other with regard to the boundary between the two commons and the matter was referred to the Commons Commissioner. At a hearing held on 12th March 1982 the Commons Commissioner made a decision as to the boundary between Deepdale Common and Grisedale Forest and a plan showing the agreed boundary was produced. The applicant seeks to amend the registered boundary between CL160 Deepdale Common and CL57 Grisedale Forest in accordance with the Commons Commissioner's decision.

If the application is granted, in whole or in part, the registration authority will give effect to the determination by preparing a fresh edition of the register map showing the boundary between Deepdale Common and Grisedale Forest amended in accordance with the 1982 Commons Commissioner's decision.
