

The Commons Act 2006 – Schedule 3 paragraph 2(b)
NOTICE OF APPLICATION TO AMEND THE REGISTER TO RECORD A HISTORIC EVENT

Notice is hereby given that an application has been made by **Mr Colin Harrison** (“the Applicant”) to Cumbria County Council as Commons Registration Authority, under Schedule 3 Paragraph 2(b) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register unit CL26 Skinburness and Calvo Marshes.

A summary of the effect of the application is as follows: The right to graze eight stints (one stint being equal to one beast, or four sheep, or two sheep and four lambs) on Skinburness and Calvo Marshes comprising the whole of the land in register unit CL26 (“the Rights”) are currently registered as not attached (held in gross) at Entry 155 of register unit CL26, in the name of personal representatives of J W Markley (two stints) and personal representatives of Olwen Markley (six stints). The Applicant claims that part of the Rights (four stints) were transferred to the Applicant by Conveyance dated 22nd April 1991 made between Olwen Markley and the Applicant. The Conveyance does not operate at law to transfer ownership of the Rights until registered by the Commons Registration Authority in the register. The Applicants seek by this application to complete the transfer of ownership and register part of the Rights in his name.

If the application is granted, in whole or in part, the Commons Registration Authority will give effect to the determination by deleting current register entry 155 of register unit CL26 (making reference to the new corresponding entry) and making a new entry in the register to show the Applicant as the owner of the aforementioned part of the Rights.
