

**Commons Act 2006 – Schedule 3
NOTICE OF APPLICATION TO AMEND THE REGISTER TO RECORD AN HISTORIC EVENT**

Notice is hereby given that an application has been made by **Robert Isaak Cookson and Janice Diane Cookson** (“the Applicants”) to Cumbria County Council as Commons Registration Authority, under Schedule 3 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register CL3 Martindale Common.

A summary of the effect of the application is as follows: The right to graze 600 sheep over the whole of the land comprised in this register unit was registered as attached to Cote Farm, Howtown, Penrith at entry 7 of register unit CL3 in the name of William Hugh Parkin. Entry 7 was cancelled and replaced by entries 25 and 26 pursuant to application number 625 dated 13th December 1999 by Jaqueline and David Baldrey who, under the terms of a Transfer, dated 1st November 1999 acquired the whole of the land listed in column 5 of entry 7 together with a right to graze 475 sheep. The Applicants claim that the remaining right to graze 125 sheep (“the Right”) was severed from the land and transferred to them under the terms of a Transfer dated 1st November 1999. The Applicants seek by this application to have that severance recorded in the register.

If the application is granted, in whole or in part, the Commons Registration Authority will give effect to the determination by deleting current entry 26 (making reference to the new corresponding entry) and making a new entry in the register to show the Right as severed and held in gross.
