

The Commons Act 2006 - Schedule 3 para 2(b)
Application to amend the register to record an historic event

Notice is hereby given that an application has been made by **Oliver John Beckwith** and **James Peter Beckwith** ("the Applicants") to Cumbria County Council as Commons Registration Authority under Schedule 3 paragraph 2(b) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register unit CL21 Winton and Kaber Regulated Common.

A summary of the effect of the application is as follows: The right to graze 3 sheep or such other commonable animals equivalent to 3 stints together with the right of turbary and estovers and the right to take stone and gravel over the whole of the land comprised in this register unit ("the Right") is currently registered as held in gross at entry 124 of register unit CL21 in the name of Ian Richard Henry Cousin. By a Transfer dated 16 April 2010 the Right was transferred to Oliver John Beckwith and James Peter Beckwith. The transfer does not operate at law to transfer the ownership of the Right until registered by the Commons Registration Authority in the register. The Applicants seek by this application to complete the transfer of ownership and register the Right in their own names.

If the application is granted, the registration authority will give effect to the determination by deleting the current entry (making reference to the new corresponding entry) and making a new entry in the register to show the Applicants as the owners of the Right.
