

**Commons Act 2006 - Schedule 3**

**Application to amend the register to record an historic event – historic severance of a right of common.**

**NOTICE OF DETERMINATION**

**Application Number: CA14/62**

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority (“the CRA”), has at a meeting of its Development Control and Regulation Committee (“the Committee”) on the 14<sup>th</sup> November 2018 considered an application submitted by David Jackson and Angela Mary Jackson to amend the register to record an historic severance of part of the right of common relating to the right to graze 150 sheep with their lambs or cattle and sheep together on the basis of 1 beast equivalent to 10 sheep, which is registered at entry 96 of register unit CL39 Ravenstonedale Common as attached to O.S. field numbers 284, 283, 526, 282, 281, 280, 279, 277 and pt 278 (“the Right”).

**Decision**

The Committee resolved to accept the application to amend the register by registering the severance of the proportion of the Right which was attached to O.S. field number 284 and part O.S. field numbers 283 and 526.

**Reasons**

The Committee took into account a report written by the Commons Officer (“the Officer”). The Officer’s report made a recommendation to the Committee to accept the application on the grounds that, on the balance of probabilities, there is sufficient evidence that severance of the proportion of the Right has occurred.

The register for CL39 Ravenstonedale Common has been amended to show the proportion of the Right which was previously attached to O.S field number 284, and part O.S. field numbers 283 and 526, as severed from the land and held in gross.

**Documentation**
