

**A Proposal by Cumbria County Council
Section 19 of the Commons Act 2006
Correction of the Register
Apportionment incorrectly calculated**

In accordance with paragraph 18(1) of The Commons Registration (England) Regulations 2014 please find below a statement in writing describing the proposal and the justification behind it.

Description of the proposal:

It has become apparent that an error was made by the Commons Registration Authority when updating the commons register for CL29 Coniston Fell, Dunnerdale Fell, Seathwaite Fell, Torver High Common in 2003 to record an apportionment of rights. Following an apportionment of a dominant tenement, which included all of O.S. field 46, part field 46 was recorded at entry 74 and the remaining part field 46 was mistakenly omitted from entry 75.

Justification for the proposal:

The Commons Registration Authority believe that correcting this mistake, and therefore ensuring the accuracy of the commons register would be in the public interest, particularly as the remaining rights are likely to be apportioned further.

Official notice of proposal to follow

**A Proposal by Cumbria County Council
Section 19 of the Commons Act 2006
Correction of the Register**

Notice is hereby given that a proposal has been made by **Cumbria County Council** ("the Proposer") as the Commons Registration Authority, under Section 19(2)(a) of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The proposal relates to register unit CL29 Coniston Fell, Dunnerdale Fell, Seathwaite Fell, Torver High Common.

A summary of the effect of the application is as follows: Rights were registered at entry 13 and shown as attached to land at Low Jackson Ground Farm, Dunnerdale, Broughton-in-Furness, Lancashire, comprising O.S. Nos. 30, 31, 32, 39, 41, 44, 46, 47, 48, 49, 56, 57, 59, 62, 64, 65, 69, 70, 79, 80, 81, 82, 83, 90 and 101 on the O.S. Map (Edition of 1913) of the Parish of Dunnerdale-with-Seathwaite, Lancashire and also O.S. Nos. 12, 15, 16, 20, 28 and 150 on the O.S. Map (Edition of 1913) of the Parish of Broughton West, Lancashire.

As a result of an application made on 27th July 2003 the rights were apportioned and the dominant tenement split between entries 74 and 75. Amongst others, part field 46 was recorded at entry 74. This should have resulted in the remaining part field 46 being recorded at entry 75 but due to a mistake by the commons registration authority part field 46 was omitted from entry 75.

The Proposer seeks by this proposal to correct that mistake.

If the proposal is granted the Commons Registration Authority will give effect to the determination by deleting current entry 75 (making reference to the new corresponding entries), and making a new entry in the register to include part field 46.
